

THANK YOU

2023 Investors

ECEDC is a private not-for-profit organization governed by a Board of Directors representing local communities and private industry. As a public-private partnership, our funding comes from local governments, private industry, foundations and individual contributions. ECEDC Investors recognize that a growing economy and community will positively impact their bottom line and increase opportunities for their employees and families. Thank you to the business and community leaders below for their vision, support and commitment to Erie County.
